Stafford King Wiese Architects Awarded Term Contract for Professional General Architectural Services for SMUD

Sacramento, California, January 2006 — Stafford King Wiese ARCHITECTS has been awarded a term contract to provide professional general architectural services to the Sacramento Municipal Utility District (SMUD). The scope of the projects under this term contract will include providing professional architectural and engineering (A/E) design services on an as needed basis to develop and document various renovation projects that the District is proceeding with based upon the available funding.
